COMMUNICATION

Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 25-0115.

The Office Action dated August 28, 2002 has been received and carefully reviewed. Please amend the above-identified patent application as indicated below.

In the claims:

- AC1
- 1 1. (Amended) A fluid quick connector comprising:
  - 2 an electrically conductive connector housing configured to mate with
  - 3 male endform having a bore extending from end; and
  - 4 an electrically conductive contact member mounted in the housing and
  - 5 adapted for contacting the male endform to electrically connect the male endform and
  - 6 the quick connector housing, the contact member including:
  - 7 a first portion adapted to be mountable in a quick connector
  - 8 housing bore in contact with the quick connector housing; and
  - 9 at least one arm extending from the first portion for contact with
  - 10 the male endform, the arm extendable through an open end of a bore in the
  - 11 male endform in contact with a surface of the male endform.

Cancel claims 2 and 3.
